IRONHACK

Ironhack certifies that

Guruvenu Kamanuru

has successfully completed the

Cybersecurity course

Hel·lena Prat

General Manager • Ironhack

Gonzalo Manrique Sabatel

Co-founder & Co-CEO • Ironhack School Inc.

IRONHACK SCHOOL

CYBERSECURITY

This certificate of completion signifies the student has successfully passed the intensive Cyber Security course including pre-work and career development. This achievement includes the competent acquisition of industry driven skills such as managing and troubleshooting network traffic and configuration, staying current with cybersecurity attacks, use of security tools and digital forensics, and implementing threat intelligence mechanisms.
